Rapid Product Development Group, Inc. (RPDG) Selected to Join the Inc. 500 Fastest-Growing Private Companies in the U.S.

Rapid Product Development Group, Inc. (RPDG) has met another successful milestone, and has been inducted into this year's 2008 Inc. 5,000 list of the fastest-growing private companies in America. The Inc. 5,000 recognizes the most dynamic, growing entrepreneurial companies that are changing the business landscape. RPDG ranks # 4 of all manufacturing companies with a growth rate of 892 %.

Tony Moran, Founder & CEO, comments, "We are thrilled to be recognized for our well-planned, strategic growth, while maintaining our mission to the continuous development of innovative services to support the highest level of quality to our customers."

About INC.

The 2008 Inc. 5000 list measures revenue growth from 2004 through 2007. To qualify, companies had to be U.S. based and privately held, independent – not subsidiaries or divisions of other companies – as of December 31, 2006 and have had at least \$200,000 in revenue in 2004, and \$2 million in 2007. "The Inc. 5000 provides the most comprehensive look ever at the most important part of the economy – the entrepreneurial part," said Inc. 5000 project manager Jim Melloan.

Inc., is the only major business magazine dedicated exclusively to owners and managers of growing private companies, and delivers real solutions for today's innovative company builders. It provides hands-on tools and market-tested strategies for managing people, finances, sales, marketing, and technology.
